

Are you thinking about getting CalFresh?

If you qualify, you'll receive an EBT card that works like a debit card to shop for more fruits, vegetables, proteins, and other healthy foods.

CalFresh benefits can be used at supermarkets, convenience stores, pharmacies, and also stores like Target, Costco, some ethnic markets, and farmer's markets!

New Changes to CalFresh-

- U.S. Citizenship and Immigration Services (USCIS) will **not** consider a person's receipt of CalFresh as part of the public charge inadmissibility determination.
- Students enrolled at least half-time in an institution of higher education who are eligible for a work-study, **or** who have an expected family contribution (EFC) of \$0 in the current academic year may also qualify for CalFresh.
